FOREWORD

These past three years are years we will always remember. In the pages of this annual we wish to record the many memorable experiences, acquaintances, and associations that have made our high school years so enjoyable, so that we may recall our never-to-be-forgotten memories long after our shouts and footsteps have died within the halls of PHS.

DEDICATION

TO MISS FLORENCE CARPENTER

for her years of devoted service to all youth,
for her interest in and concern for the students of
Princeton High School,
we dedicate the 1960 TIGER.

We will always remember and be grateful for her guidance in the
classroom, her wise counsel and her genuine interest in all our
activities.
